NEW TITS ON THE BLOCK

Read ALL ABOU

Sophie Reade reveals all!

WE'RE all aware of the avalanche of huge-knockered English stunners that have thrust their lovely racks under our noses in the last decade, and Sophie Reade is up there with the best of 'em.

The 10-year veteran of the boob business and winner of the 2009 series of *UK Big Brother* had a little chat with us the other day about her tits and other stuff.

How ya going, Sophie? Still getting the twins out?

"Yes, I'm still modelling and in the process of setting up my own website – and I'll be on there topless, so don't worry."

Your chesticles have changed a bit since we've known you – what's the state of play there?

"They have grown quite a bit over the years. I don't think they will ever stop! I'm in two minds now whether to go a little

bit bigger, so watch this space."

Oh, we'll be watching. What's your thoughts about the demise of* Page 3 *babes in the UK?

"I think it's sad that *Page 3* is gone because I don't think there was anything degrading about it. Beautiful women showing their beautiful bodies is very empowering, I think."

Right on, sister! We heard you were a bit shy about showing your boobs on the beach, but.

"I wasn't necessarily shy, it was more because I'm tiny framed and I have these huge boobs! I worry I may give some poor old man a heart attack! Haha!"

Yeah, but what a way to go! How's your sex drive going at the grand old age of 28?

"I think sex gets better with age. Experience is the real key. Now that I'm older I'm more confident with my body and more willing to try different things."

Yowzer! When are ya coming to visit us Down Under?

"I've actually never been to Australia but it's a place which I really want to visit! I'm still a virgin when it comes to dating Aussie men, but I wouldn't say no. I find the blonde, surfer type very sexy."

Are you still afraid of spiders? 'Cos we've got some beauties here for ya!

"Yes! I'm still very much scared of spiders and I think I always will be. Even the tiniest spiders can make my skin crawl."

Don't worry, Soph. We'll happily volunteer to protect you. Picture

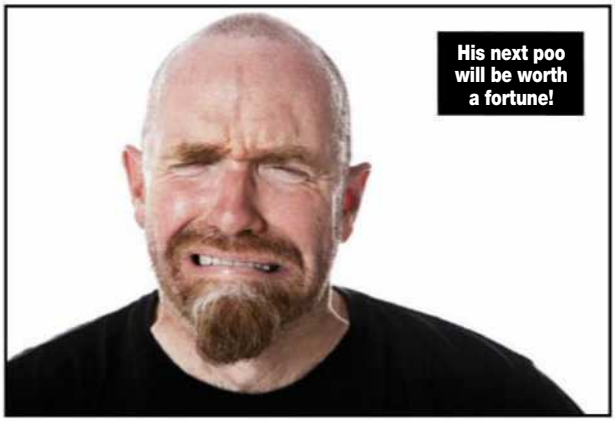
NEWS FLASH

THIS SHIT REALLY HAPPENED!

Naked News, Max Mason-Hubers

JUST ADD CHIPS!

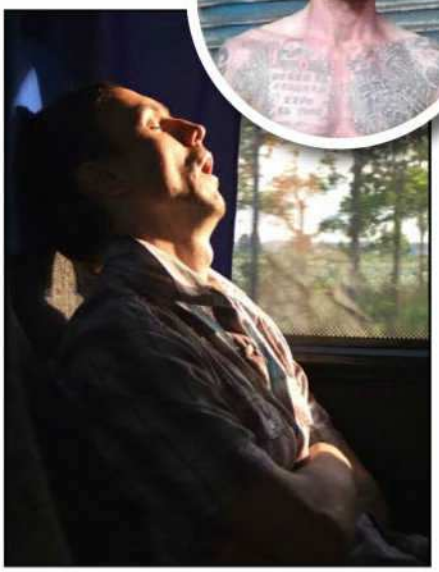
A POMMY pensioner put the local fishos to shame when she hauled in a bass that was bigger than her near Lanecelin, WA. Sue Elcock, 68, hooked the 62 kg monster while on a fishing trip with her son, who lives in Perth. At 162cm, it's longer than her! She reckoned she'd never caught anything bigger than a frypan before, and that the big bugger was destined to keep her son and his wife in fish and chips for LIFE.



NO SHIT, SHERLOCK

A SUSPECTED Pommy drug dealer went 47 days without a shit while in police custody to avoid POOING out the drugs they reckon he swallowed. Lamarr Chambers was arrested in Harlow, a London suburb, and police reckoned he gobbled down a bunch of bastard druggie-wugs before they nabbed him. But as much as the coppers waited and waited for the evidence to EMERGE, Lamarr refused to LET IT GO. Eventually he was released... but went straight to hospital, 'cos he had a bit of a TUMMY ACHE. We reckon he used a CORK.

BLOW ME DOWN!



AN AUSSIE bloke who copped a blowjob from a random chick on a train has been fined $700 after being pinged by CCTV cameras. Shane Brennan knocked back her initial offer of a ROOT, but when the chick started to touch herself in front of him on a train between Wollongong and Sydney he settled for a MOUTH CUDDLE, not realising there were cameras everywhere. "She was pretty horny and ready to go. Toey as," he said. "As soon as the deed was done I was out of there." But he was nabbed by security at the next stop. "How can you be so lucky and unlucky in the one day?" he asked.

VB DEN

WHAT is probably the finest collection of VB cans in the world has been revealed in a SECRET VIDEO. The estimated 30,000 cans – all, sad to say, EMPTY – are in a shed in Moonta, SA. The man who dedicated the last 15 years to compiling the collection is known as The Big Ezy, and his mate who is seen swimming through the shed full of cans in the video is his mate Ted Beerpit. Nothing much else is known about the collection, but it has captured the hearts and minds of millions of beer lovers worldwide who have seen it on YouTube.

SPACE BEERS

IF YOU have an ambition to be the first pisshead on the moon, this could be for you. Space engineering company Saber Astronautics and Sydney brewery 4 Pines are looking for one lucky bastard to TEST BEERS IN SPACE! They're trying to develop a beer that passengers on future commercial space flights can drink, so they've launched a competition, the winner of which will be sent up 10,000 metres into the sky on a zero gravity flight to knock back a few ales. Go to vostokspacebeer.com to have a crack.

NUDIES VS CANCER

SKINNY dipping is ace – even more so when it raises money to battle BASTARD CANCER. So good on the 1500 nudies who rocked up to Cobbler's Beach in Sydney Harbour to swim in the annual Sydney Skinny event with all their BITS hanging out. Some even came from as far away as the US and UNZUD to help raise dosh for the Charlie Teo Foundation, which aids brain cancer research.

Cancer doesn't stand a chance!

WE DREW A COCK ON IT #314

IT'S A FLAMIN' MIRACLE!

He didn't get so much as a scratch!

MAYBE it was his 40-plus years of experience racing funny cars on the US National Hot Rod Assocation circuit that saved him, but somehow veteran driver John Force walked away from this FIERY shemozzle at Wild Horse Pass Motorsports Park in Chandler, Arizona.

Force was driving in the quarterfinals at the NHRA Arizona Nationals when his DONK exploded, sending him barrelling into the car of rival driver, Jonnie Lindberg.

Flames and bits of car went everywhere and some people in the crowd were thinking he might be a SPENT FORCE, (c'mon, that's gold!) but Johnno squirmed out of the wreckage with nothing more than slightly soiled undies.

After a quick trip to hossie just to make sure the 68-year-old was all in working order, he was back at the track the next day to see his daughter, Courtney Force, win the event in his place.

May the Forces be with you! Picture

Giant-balled Jap bungee-jumps in bulldozer

JAPAN'S a wobbly old joint. Earthquakes rattle through the place all the time. Shit falls down, people get hurt.

So they like to get ahead of the game by stabilising hillsides that look like they might slide down and splat a village in a Richter-scale ruckus.

But first they have to smooth them out, and blokes like this dozer driver do the bizzo with their big fuck-off machines suspended by cables from the top of the hill like a bungee-jumping Transformer.

Fuck knows what he does at smoko or when he needs to take a piss.

We just hope he took a packed lunch, a thermos and a copy of THE PICTURE. ■Picture

100% POLITICALLY INCORRECT!

A MAN and his nagging wife went on holiday to Jerusalem. While they were there, the wife carked it.

An undertaker told the husband, "You can have her shipped home for $5,000, or you can bury her here, in the Holy Land, for $150."

The bloke thought about it and told him he would have her shipped home. Confused, the undertaker asked, "Why would you spend all that money to ship your wife home, when it would be wonderful to be buried in this sacred place, and you'd only spend $150?"

The bloke replied, "Long ago a man died here, was buried here, and three days later he rose from the dead. I just can't take that chance."

N.A., LAWSON, NSW

A BLOKE was staggering drunkenly along the side of the road at 2am one morning when the cops drove up alongside him and demanded to know what he was up to. "It's all fine, officers," he assured them. "I'm just off to a lecture."

"Who the hell gives lectures at this time of night?" asked one of the cops.

"My wife," said the drunk.

TWO salesmen knocked on the door of a woman. She was not happy to see them and told the pair, in no uncertain terms, that she wasn't interested and slammed the door in their faces.

To her surprise the door did not close and, in fact, bounced back open. She tried again, really put her back into it, and slammed the door again with the same result.

Convinced these rude bastards were sticking their foot in the door, she reared back to give it a slam that would teach them a lesson, when one of the men said, "Ma'am, before you do that again, you should move your Chihuahua."

JOKE OF THE WEEK WINS $100

TWO old blokes were sitting having a beer when one said, "You know, when I was 25 and I got a hard-on, I couldn't bend it with both hands. But by the time I was 50, I could bend it about 10 degrees if I tried real hard. And by the time I was 60, I could bend it 20 degrees, no problem. I'm going on 70 next week and I can bend it in half with just one hand."

"So what's your bloody point?" his mate asked.

"Well, I'm just wondering how much bloody stronger am I going to get?"

A LITTLE girl in the playground cuts her hand on broken glass and runs crying to the teacher for a glass of cider.

"Why cider, dear?" asks the teacher.

"For the pain!" cries the little girl.

"No!" exclaims the girl. "My big sister says that whenever she has a prick in her hand, she can't wait to get it in cider."

A BLOKE was relaxing in his armchair in front of the TV, beer in hand, while his missus did the ironing.

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

HOTTY 'N' FROSTY

MUNGO, just perving on issue 1451 and the lovely Ashley on page 56 is a dead ringer for Sam Frost, the chick who was on *The Bachelor* and is now in *Home and Away*. Let us see more of this girl with a nice bum shot.

A.R., CABRAMATTA, NSW

MUNGO SAYS: A.R., I like your taste in babes. Can't say the same about your taste in TV shows, but. As for Ashley and Sam, I guess they do kinda look alike. Sorry we can't give you a pic of Sam Frost's bum, but. Maybe next time.

HE DA VOICE!

MUNGO, here's a tip on the back of that letter about Oz rock bands last issue – John Farnham to front AC/DC. Dead set, I heard it from a bloke who knows a bloke who knows a bloke, Farnsey's big enough to carry Angus around on his shoulders like Bon used to, and he drinks a bit, so I reckon it's on.

M.Y, EASTERN CREEK, NSW

MUNGO'S SHOUT

IT'S come to my attention that I don't rant my arse off enough, so from now on each issue I thought I'd neck a few beers to get myself going and give youse a spray about what's currently giving me the shits.

Should be no shortage of raw material. But if ya wanna set me off on something, by all means drop me a line.

So what am I drunk and angry about at the moment?

Well, that'd be the rising cost of getting drunk and angry.

See, in NSW they've bunged 10 cents onto the cost of every can and bottle of lovely beer, and if ya want a refund, ya have to take your empties to these depots, only no-one can fucken find 'em 'cos they didn't build enough of 'em.

The local council used to haul my empties away anyway and recycle 'em into cardigans for whales or some such shit. I was fucken happy. So were the whales.

Now I'm down over a hundred smackers a year, the whales don't get their cardigans, and all because of some fuckwit bureaucrat in an office somewhere with too much time on his hands.

It's enough to drive me to drink – but obviously that's just gunna make me even angrier, 'cos I'll know it's a costing me more.

Ya can't fucken win. The cunts.

YOU TALKIN' TO ME?

MUNGO, what do ya reckon about those bastard Seth Efricans giving it to Davey Warner about his missus and Sonny Bill Williams? I reckon it's a bit crook. It's not like the Aussie players would ever sink so low. Or would they?

L.J., TENTERFIELD, NSW

MUNGO SAYS: No Aussie sportsman would never say anything mean about another bloke's missus. Our guys just give the yarpies handy batting tips and remind them to put on their sunscreen. Warnie use to tell 'em where he was gunna bowl the next ball just to be helpful, but the dopes couldn't hit it anyway. Our blokes are gentlemen, mate.

No wonder Davey Warner bats so well!

MUNGO SAYS: He has a voice only dogs can hear, so that could be a problem. But he is an immigrant from the UK, just like Bon and the Youngs, so that works. They just need to get a few tatts on him, kick him in the throat a few times to get his voice right, and it could be a goer.

SALTIES FOR ALL

MUNGO, I loved the yarn about the salty eating the roo in last issue. It gave me an idea – because the salties are such a tourist attraction we should get a few down to Melbourne and chuck 'em in the Yarra. Gotta be good for the economy.

JOE, WERRIBEE, VIC

MUNGO SAYS: Now that's some great thinking. You might lose a few locals in their jaws, but hey, it thins out the herd. More parking for the survivors.

MUNGO WANTS TO KNOW...

What's the oldest PICTURE mag in your collection? Take a photo of it with your ugly mug next to it and zap the pic into me, and I'll give ya some lovely dosh if I use it. Oh, and tell me the issue number.

FANGIN' IT!

HEALTH and safety regs have a lot to answer for. Maybe 50 or 60 years ago you could've seen one of these at the Royal Easter Show in Sydney or the Ekka in Brissie. Now if you want to see a Wall of Death you have to go to India, where there are still a few running at festivals like this one in Rajkot. Sure, it's dangerous as fuck but the locals love it. Man does not live by battered sav alone, y'know.

TALKING DIRTY
WITH TRINITY

100% uncensored sex advice from Australia's hottest stripper!

TIP ME

HEY Trin. I'm locked up in Rockhampton, Queensland. I love that you tell it like it is. I'm going to be a massive fuck machine when I get out of here. What's some advice and tips you can give me that will give any woman an orgasm?

DEANO, IN PRISON

TRINITY SAYS: ***Foreplay, foreplay, foreplay! Don't just stick it in, that's the biggest turn off. The more you pleasure her, the hotter she gets and gives. And remember there's more ways to get her going than just rubbing her pussy. Remember the neck, inner thighs, back and feet. Work it, use your imagination!***

I SUCK

HI Trinity. I want to give my fella better blow jobs. What's the secret to really blowing his mind? Should I do it when he's driving somewhere? Does that turn men on?

KATH, DUBBO, NSW

TRINITY SAYS: ***Yes, driving blow jobs are sexy as fuck and so are surprise ones when they least expect it. And make sure you fully go for it – spit, lick, kiss and rub the cock all over your face. Suck on his balls and just fucking go for gold.***

TAKE MY VIRGINITY

I'M 19-years-young and a huge fucken fan of the magazine and your column. For whatever reason I still have my virginity intact and feel like a bit of a gronk. I'd love to lose it soon and I think you are the person who should take it. I'm not bad looking and play grade footy. Who knows, I might even teach you a thing or two. What do ya reckon?

"RUB THINGS ON HER CLIT WHILE GOING IN ANALLY"

NICK, SWANSEA NSW

TRINITY SAYS: ***Haha! You definitely won't teach me anything but you'd tick something off my bucket list because I've always wanted to fuck a virgin! Hmmm, I'll think about it.***

BUM'S THE WORD

I'm slowing getting my missus interested in doing the bum stuff. At first I started with a finger and then recently I put a small sex toy in there. I don't want to freak her out by shoving my todger in there just yet, so what else is good for anal play?

BRONCOS BLOKE, VIA EMAIL

TRINITY SAYS: ***Toys, plugs, stretchers, plenty of lube, and remembering to rub things on her clit while going in anally is always a good move. Great work so far, though. Keep it up.***

TRIN'S TIP

If you're just getting into anal sex, it's best to go slow and work your way up! Start with fingers and toys. And please always use LOADS of lube. When you finally get to a good place you will enjoy anal sex much more than if you just rushed it like some people do.

GET UP YA SOOK!

...AND DON'T BE A WUSS

NAILED IT!

WHO: French long jumper Salam Sdiria

WHAT: A javelin in the back

WHERE: Rome, Italy

OUCH FACTOR 92%

Finnish javelin thrower Tero Pitkamaki's aim was a bit off at this athletics meet in Rome, when he skewered French long jumper Salam Sdiri.

Sal was out for six months but bounced back the next year to set a frog long jump record that still stands.

He says he'll never again compete while there's a javelin comp going on: "I don't care if it's the final of the Olympics." Oh, GET UP, you sook! ■ Picture

HOOTERS AHOY!

IT SEEMS like ELEVENTY MILLION superhero films get released every year.

But you know what they're all missing?

You guessed it, readers – GANGBANGS and DOUBLE PENETRATIONS.

So thank FUCK for 23-year-old mattress actress Keisha Grey, who plays the superhero we all DESERVE in the porno we all wanna see – *TIT WOMAN.*

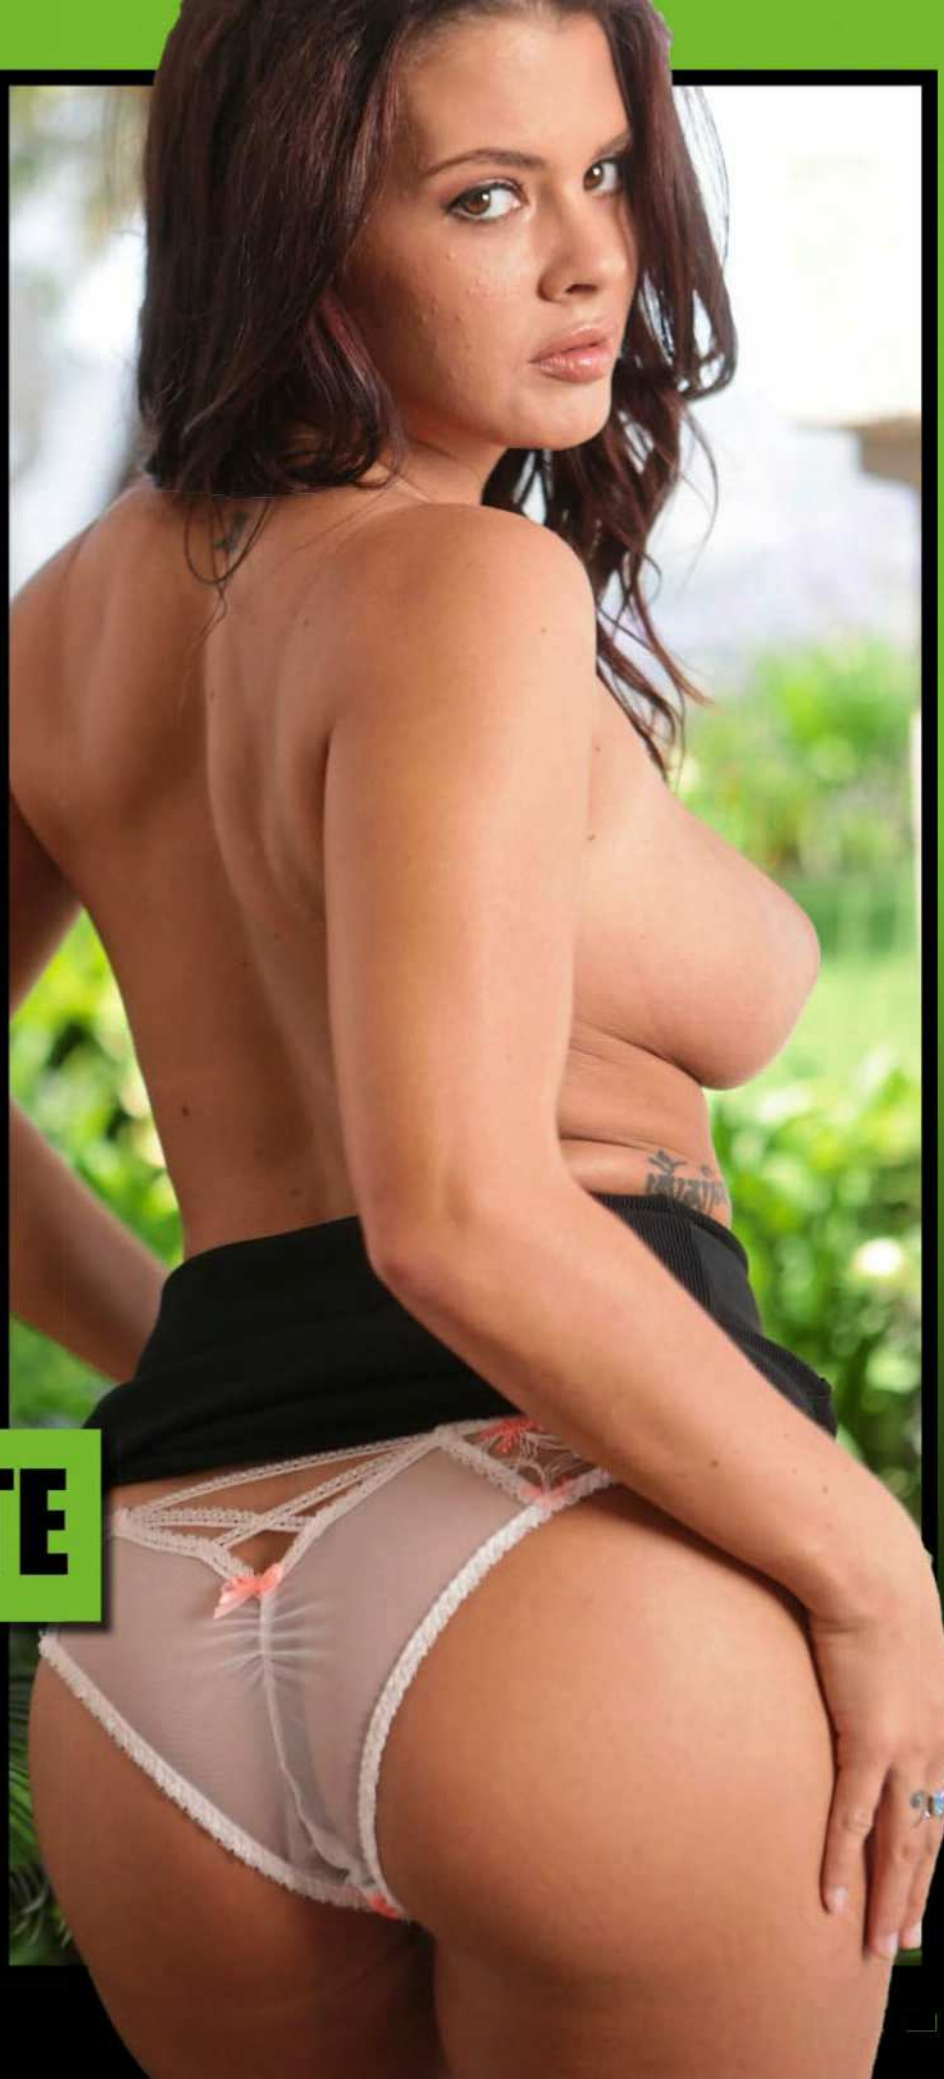
"I love that my tits are pretty enough for me to have the title of Tit Woman," TITTERED the Seppo owner of some SUPERIOR SUCKBAGS. "My favourite part of that movie was the gangbang."

Our favourite part was your TITS. Are you going to try to be BUTT WOMAN next?

"I think I'm more blessed in the chest, so I haven't asked. There are arses that are a lot more glorious, like Alexis Texas's. How does she even manoeuvre her cheeks to have that graceful wobble?"

Fucked if we know. When did you first take it up the CLACKER?

"I never had anal sex until I joined the industry. I lost my anal virginity on camera!"



"I MASTURBATE AT LEAST 10 TIMES A DAY"

"I LOST MY ANAL VIRGINITY ON CAMERA!"

How often do ya WANK?

"I masturbate at least 10 times a day. I love my Hitachi Magic Wand, but if I don't have it with me, I can use my fingers."

Do you watch many stick flicks on your days off?

"Yes! A bit of amateur stuff because I work with industry talent all the time. I like public sex. Like, REALLY public sex."

Do you ever watch any of your own pornos?

"I do sometimes. I try not to judge myself, I try to just relive the moment of me coming over and over and over again."

If you could PUT AWAY any famous celebs, what HOT SHOTS would you POT?

"Tom Hardy, Josh Hartnett, Natalie Portman, Scarlet Johansson, Gal Gadot, and Jennifer Aniston – when she was younger."

We'd still be FRIENDS with her now. What celeb would you wanna be reincarnated as?

"Easy – Jimi Hendrix. Did you know he had a porno? I thought he was hot, even though the chicks in it were a little meh. But yeah, Jimi Hendrix had a really big dick!"

Ya learn something new every day...

Lucy's bum will make you a crack addict

WE ARE reliably informed that 20-year-old Brisvegan student Lucy has beautiful eyes. One of the cleaning ladies told us and we will just have to take their word for it because we can't take our eyes off her cracking arse. "I do get lots of compliments on it," admitted Lucy. "But I also really like my legs too."

How did you end up posing starkers for us?

"I used to do acting and one day went to get some headshots taken. And one thing led to another and I discovered nude modelling. I'm pretty comfortable like this."

What sort of blokes do you go for?

"I don't really care about fancy jobs or cars or anything like that. I just like guys who are down to earth with a good sense of humour."

Tell us about your sex life.

"It's pretty good generally. I'm on tour with modelling at the moment, so I can get a bit lonely. But that's OK too."

Have you got a crazy sex story for the readers?

"Years ago, before I had my license, I decided to hitchhike to this guy's place for sex. I was still a virgin at the time and we didn't end up doing it because he couldn't get it up. So it's not really a great sex story, but we are still friends now."

The best way for a bloke to pick you up is...

"Make me laugh." ■ Picture

MY FUNNIEST FUCK

READER'S ROOTS FROM AROUND OZ

GOOD CLEAN FUN

MY GIRL is a very horny babe and never misses a chance to get her rocks off when one presents itself, so I never know what she's gunna get up to next. Sometimes it's very sexy, other times it's downright bizarre. Her latest effort was a bit on the hilarious side.

We live in a block of flats with a laundry room on the bottom floor, and the other day she disappeared with a basket of laundry and said she was going to do a few loads. She was gone for ages, so I got curious and went down to see what she was up to.

I stuck my head around the door of the laundry room to catch her out and sure enough, there she was sitting naked on one of the machines as it whirred around, getting off on the vibrations.

She had her eyes closed her hand down between her legs, so I snuck over and took one of her perky nips in mouth. She was a bit surprised to see me, but also turned on as hell, and immediately reached out and started rubbing my cock. I dropped my gear straight away and went to slide my cock into her, but just then the machine stopped.

Quickly we emptied it, chucked more clothes in, piled in some powder, started it again and re-started our interrupted fuck.

Everything was going fine – I was sliding in and out of her, she was moaning, I was getting ready to blow – when I felt an odd tickling sensation around my balls, I looked around to see a sea of foam climbing up my legs and filling the whole room.

I must have tipped the whole box of detergent into the machine and it was going nuts. But we were too far gone to care, so I kept pounding away at her hot little smoo as we slowly disappeared into a wall of white bubbles.

J.Y., PENRITH, NSW

PULL THE OTHER ONE

I'M ALWAYS dressing up in sexy costumes for my bloke. He loves it when I pull out my nurse outfit or my motorcycle cop number with a leather jacket and black stockings and give him a show.

It always inspires him to give me a good fucking, so my efforts are well worth it. I was browsing at a costume shop one day thinking I ought to try something a bit different when I came across a clown outfit, like you'd use for a kid's parties.

It had a red nose and all the make-up, baggy pants and a little waistcoat, and accessories like a flower that squirted water and a horn that went 'parp' when you squeezed the bulb.

I bought it and took it home to modify it. I cut holes in the waistcoat so my tits poked through, and slashed the pants so my full-bushed pussy poked out in all its glory.

Then I put on the nose and make-up and when he got home I went into this crazy routine, squirting him with the flower and parping my horn, all the while with my tits and pussy on display.

He was pissing himself laughing, but at the same time I could see his cock getting harder and harder, so I knelt down and took his big red knob between my big red clown lips and sucked it down until his balls were resting on my chin.

Then, communicating only by parping my horn, I indicated he should go down on me, and soon he was nose deep in my thick pubes.

My guy knows what he's doing in that department, and soon I was squirming and squealing, and just at the moment I came I squirted my flower over him and threw a handful of confetti in his hair.

Then I sucked him off until he came all over my clown face. Now we do the clown thing regularly.

CARRY ON CAMPING

THE funniest fuck I can remember was one I wasn't even involved in, but I wanted to share it anyway because it really was one of the craziest things I ever saw.

Me and two mates, Josh and Pete, went camping and Josh had invited along his new girlfriend.

I don't think she was thrilled to be there, 'cos we were all in one tent and there was no way they were going to get a fuck in, so she was getting a bit toey.

So I wasn't surprised when they took off in the arvo, saying they were taking one our inflatable rings down to the river for a swim, but really sneaking away for a quickie.

Me and Pete gave them a few minutes then followed. As we crept along the riverbank we could hear them grunting and groaning and when I stuck my head through the bushes I could see them at the edge of the water fucking cowgirl style, with Josh sitting on the ring.

Thinking it'd be funny, I jumped out and yelled "Surprise!" and it shocked him so much, Josh let go the branch he was holding and they floated out into the river, still joined at the crotch and not knowing whether they should keep fucking or try and get back to shore.

So they sorta did both. She'd go up and down on Josh a bit, then they'd go mad trying to paddle ashore, but that only made the ring go around in circle. Then they lose it a bit and fuck some more, then they'd realise they were getting further and further out into the river, then panic and paddle again.

Me and Pete were pissing ourselves, but it was getting a bit dangerous, so It was probably a good thing that a guy came along on a jetski and towed them back to shore – still naked and looking as embarrassed as fuck.

"I miss my friends in Sweden," says 27-year-old student Lexi. ***We bet they miss you, too.*** "And I miss salt liquorice. When I leave here, I will miss the warm weather and the Australian culture." ***A slab of VB and* The Best of Chisel *and you'll be right back home. What is the Swedish obsession with saunas?*** "It is a Finnish thing." ***How do Swedes relax when naked, then?*** "I don't know – they probably have sex." ***We imagine with Sweden's weather, outdoor rooting is not as widespread as it is over here.*** "That's probably true." ***Are you having alfresco fucks in Oz?*** "Not quite yet. You will have to tell me about the good spots."

WHAT IS YOUR BIGGEST VICE? "My daddy issues; it gets me into all kinds of trouble. Flirting with men, old and young, and men in relationships and feeding from the attention."

SHARK // 27

BLACKTOWN, NSW

Hey there sexy, do you like guys with tattoos? I have a few. And what is your favourite piece on your body?
FREDDY, GOLD COAST QLD

SHARK SAYS: ***On guys I like a big chest piece, it really does something to me. My favourite one on me is the clock on my stomach, I think it makes my whole look.***

INKEDUPCHICKYBABE // 20

BALWYN, VIC

I like your name, I like your tattoos and I like that you are into bondage. Fancy coming up the Stuart Highway one day and giving my arse a paddling?

SEAN, PALMERSTONE NT
INKEDUPCHICKYBABE SAYS:
Haha! If I find a guy who is into tying me up, I will teach him all about it.

"My partner tied me up"

AMBER // 24

EVERTON PARK, QLD

It sounds a blast round 24-year-old Amber's place. "The funniest thing that has happened in bed is my partner tied me up and handcuffed me, then started tickling me – I am very ticklish. It was funny for him." ***Funny for us, too. What else brightens up the bedroom?*** "Toys, people and music." ***Forget toys and music, let's talk extra people. How many extra people?*** "Maybe one, maybe two, maybe three." ***We hope you have a supportive mattress.*** "I do, thanks. And a couch. Although that reminds me of a time the boards broke." ***What's the biggest number of people your bed has supported?*** "Four." ***Any plans for more – maybe whip together a massive orgy?*** "None of them are planned." ***How would you describe group sex to someone who has never done it?*** "Sweaty."

WHAT IS YOUR BIGGEST VICE?

"Sugar."

HOME GIRLS

GO HARD! GO HOMIES!

"Kisses on my neck are my favourite"

SOPHIE // 22

ST KILDA, VIC

Italian goddess Sophie, 22, is down here in Godzone working in a shop. But that's a bit dull, so let's get into what gets her off instead. "Kisses on my neck are my favourite." ***Who kisses your neck better, Australians or Italians?*** "I hate to say it, but I have to: Italians." ***Just blokes?*** "No." ***Interesting. Who kisses necks better; men or women?*** "Men." ***What do women do better if they come second in the neck-kissing category?*** "Make you go crazy." ***What about men and women at the same time?*** "That is the best thing ever." ***How often do you manage that?*** "Not that often, or it loses its uniqueness." ***What makes it so good?*** "It is perfect: you have the strength of a man and the fantasy of a woman." ***Sounds like a winning combo.***

WHAT IS YOUR BIGGEST VICE?

"Cigarettes."

HOMIES LOVE HOMIES

"I love leaving red marks on her skin"

"Neither of us are shy about our bodies"

KENYA // 22 & ALEX // 24

"I love Alex's long legs and her hips," says 24-year-old Kenya. "Kenya's great fun and has an amazing arse which I like to spank all the time," adds 22-year-old Alex. **Kenya:** "She is the best spanker." ***Do you return the favour?*** **Kenya:** "I love leaving red marks on her skin." ***You are obviously comfortable naked together.*** **Kenya:** "We enjoy each other's company and we've seen each other naked before so being naked around her feels natural." **Alex:** "Yeah, we've always been comfortable naked together. Neither one of us are shy about our bodies." ***And we here at THE PICTURE are very thankful for that.***

WHAT IS YOUR BIGGEST VICE?

Kenya: "I am not sure."
Alex: "Other than food, my biggest vice is older guys."

We're all keen to know when 27-year-old barmaid Belle was last naked outside. "This morning. I am naked outside once a day at least." ***We bet your neighbours are stoked.*** "Never heard a peep, but I bet they look. I'm not worried, though, makes me feel cheeky." ***What about the beach or pools: do much nude swimming?*** "I would love to try all the nude beaches in Australia and internationally! I feel most free when I'm naked and like nobody can judge me. I've always been adventurous with getting freaky outdoors. I think my most out-there experience was on top of a lookout on the back of a ute on the top of a motorbike! I love feeling the breeze against the naked body." ***You should get out there and feel it more often!*** **WHAT IS YOUR BIGGEST VICE?** "My worst vice; don't know if they are bad but I'm EXTRA cheeky – and we all know the boys love cheeky."

SASHA // 37

BRISBANE, QLD

"Age is just a number," says milfalicious 37-year-old Sasha. "What a younger guy brings to the table is never the same as what an older guy can. It's always quantity with younger guys while quality with the older guys." ***What else can you tell our firm-gripped readers about yourself?*** "I love being nude." ***What do you like about it?*** "I am very comfortable with my body." ***So you catch the bus into town while you are naked? Go to the supermarket?*** "If it wasn't illegal I would definitely be comfortable doing that." ***Do you get many chances to swim naked?*** "Not so much now. When I lived near the beach, I did it often." ***It's probably time for a seachange then, Sasha.***

FLASHBACK

DECEMBER 2010

AMY // 26

MELBOURNE, VIC

When she pines for home, Finnish spunk Anna, 26 doesn't miss the freezing bastard cold or the three hours of sunlight. No, she wants a GOOD, HARD FLOGGING with a bit of wood while her naked mates look on. ***We have special clubs for that here.*** "In Finland we have this culture where everyone goes to the sauna together naked, whether they are man or woman." ***Tell us more.*** "We just sit there and hit ourselves. You get a bit of tree and hit your body all over with it." ***And this is entertainment? Finnish TV must be beyond shit.*** "No, it feels good – and afterwards it feels better." ***What's the oddest thing you've done in Australia?*** "I was in a bar in Brisbane. Maybe someone put something in my drink, but my friends found me wandering the corridor in just my underwear and a jacket." ***Down here, we call that Friday.***

"You hit your body with a bit of a tree"

"I may look sweet but I'm definitely not innocent"

MONICA // 27

CANBERRA, NSW

There's no room for crochet or long walks on the beach in Monica's list of hobbies: "Masturbating, getting spanked, doing my boyfriend, doing other guys and girls." ***That's BEAUT, Mons.*** "I may look sweet but I'm definitely not innocent." ***What's your ideal night out?*** "Dinner, then drinks and maybe heading to a party or club before going home to get rude." ***With other girls?*** "Yes indeed, many times." ***Groups?*** "Hell yeah." ***You've just given the readers a PART ATTACK. Where's the oddest place you've had a Donald Duck?*** "In a cemetery. And also on a train first thing in the morning with other people in the carriage not far away." ***Beats a bowl of Cornflakes for great way to start the day***

"The bars can get pretty wild"

CECILIA // 28

BYRON BAY, NSW

While soccer bloke Lionel Messi is maybe the world's most famous Argentinian, it is probably unfair to think it is a nation of short-arse tax-dodgers. Luckily 28-year-old Cecilia is here to remove stereotypes and brighten up Australia-Argentina relations by removing her clothes and showing off her superb Latin body. ***Thanks for that. What have you been up to on our distant shores?*** "I am enjoying my break here and in Indonesia." ***Just lounging about?*** "I have been working in bars and farms." ***Has Australian drinking culture shocked you?*** "The bars can get pretty wild." ***People are probably drinking more just so they can hang around and look at you.***

WHAT IS YOUR BIGGEST VICE?

"I am not sure. I have seen plenty of other vices while working in bars, though."

"She went down on me for ages"

MARLEY // 25

"I had lesbian sex for the first time recently" reveals CHESTACULAR 25-year-old Marley. ***How did this donut-bumping experience come about?*** "I got approached by a girl at a bar who invited me back to her place." ***What happened when you got back to her joint?*** "We started making out, then she went down on me for ages, then we rubbed clits together - I think that's called scissoring?" ***It sure is! You didn't return the favour and growl out this miscellaneous muff-diver?*** "No, as soon as she was done with eating me out we began the scissoring." ***Have we lost you to the COMFY SHOE BRIGADE now?*** "I haven't turned, but I have a new appreciation for the female form." ***Welcome to the club!***

WHAT IS YOUR BIGGEST VICE?

"Cigarettes and alcohol. But they're too much fun to give up."

ALANA // 23

GOLD COAST, QLD

"My sex life has been so much better since I broke up with my boyfriend," laughed the 23-year-old backpacker. "I've been having fun with so many random guys. It's awesome." ***That's great news. What do you like getting up to in bed?*** "It's such a turn on to be dominated by a guy. I like it when he's forceful and strong. I will nearly orgasm every time if he's like that." ***Tell us more.*** "I like to be teased as well. Guys sometimes rush to shove it in – this is a mistake. They should tease a bit." ***And the greatest rooting position is…*** "I call it the lazy dog. It's like doggy style, but I'm lying flat instead of having my bum in the air." ***Is there anything you don't like?*** "Anything to do with feet. For some reason they freak me out."

WHAT'S YOUR BIGGEST VICE? "Drinking. The decisions I make when I'm drunk are stupid."
